To tell the truth....

Fred Angress' impersonation of Cantor Henry Greenberg (at a BIJ event some years ago) was so good that it fooled our panel of experts...

That is how his picture made its way into our January/February Bulletin, in the announcements for the upcoming Shabbat Shira Concert (on p.9 and the back cover.)

We are just a little bit embarrassed, and extend our apologies to Henry's family.

Now, "Will the real Cantor Henry Greenberg please stand up!!"
